

## Declaration of Conformity

### **Polyquest PQ XP series are compliant to the Directive 2002/ 95/EC, Restriction of Hazardous Substances, 'RoHS-Directive'**

The materials used for the manufacture of these products with PQ XP series do not contain intentionally added heavy metals such as cadmium, chromium-VI, lead and mercury or their compounds, nor polybrominated biphenyls (PBB) and polybrominated diphenylethers (PBDE), mentioned in these Directives (2002/95/EC)

<b>Materials<sup>1)</sup></b>	
Pb-Lead	None <sup>2)</sup>
Cd-Cadmium	None <sup>2)</sup>
Hg-Mercury	None <sup>2)</sup>
Cr6-Hexavalent Chromium	None <sup>2)</sup>
PBB- Polybrominated Biphenyls	None <sup>2)</sup>
PBDE – Polybrominated Diphenylethers	None <sup>2)</sup>

<sup>1)</sup> Materials are restricted by the Directive 2002/ 95/ EC, 'RoHS Directive'

<sup>2)</sup> Materials are not intentionally added and below limits set forth by the RoHS

Compliance is evidenced by written declaration from our suppliers, assuring that any potential trace contamination levels of these listed substances are below the maximums set forth in these Directives.

Enerland Co., Ltd. only assumes responsibility for the proper processing of these materials.

This statement is based on our current level of knowledge and covers this product range with production as supplied by Enerland Co., Ltd. Since conditions of use are outside our control, Enerland Co., Ltd. makes no warranties, express or implied, and assumes no liability in connection with any use of this information.
